## How to Request an Eagle Scout Service Project District Review

After completing the Proposal pages of the [Eagle Scout Service Project Workbook](#) and securing approval signatures from the beneficiary and unit, the Scout should email the Texas Skies District [Eagle Scout Service Project Review Chair](#) and include:

- 1) Troop number
- 2) Scanned copy of the Proposal pages of the Eagle Scout Service Project Workbook with signatures (except the district signature). For the council/district contact, type "Derek Spier" ([DerekDSpier@outlook.com](mailto:DerekDSpier@outlook.com)) with the [council address and phone](#).
- 3) CC parent or other adult leader (e.g., Scoutmaster, Life to Eagle Advisor)

Expect a response within one to two weekdays. Initial communications will be conducted via email and then a time will be scheduled to meet and discuss the project to get approval (typically at the district roundtable). For more info, please visit [SHAC Advancing from Life to Eagle Scout](#).

For questions, contact the district Eagle Scout Service Project Review Chair, Derek Spier ([DerekDSpier@outlook.com](mailto:DerekDSpier@outlook.com)).
